PREVIOUS EXPERIENCE

I have worked in the film and television production since 1999. I worked as a Clapper Loader and then as a Focus Puller on many commercials, feature films, pop promos and television dramas. As an AC I have been involved in television and cinema commercials for clients that include Marks & Spencer's, Nintendo, John Lewis, Volkswagen, Eurostar, Bentley, BMW, McDonald's amongst many others. Television dramas I worked on include *Silk*, *Waking the Dead*, *Primeval*, *Lead Balloon*, *The Golden Hour*, *The Mighty Boosh*, *Peace One Day*, *Silent Witness*, *Glue*, *Ambassadors*, and *Run*. My feature film work included BBC/HBO's *Into the Storm* starring Brendan Gleeson, Sam Taylor Wood's feature debut *Nowhere Boy* and *Pirates of the Caribbean on Stranger Tides* and *My Angel* with Timothy Spall and Brenda Blethyn.
