Additional Experience:

Company:

Role:

Year:

PANAVISION UK:

Work Placement Trainee

2010

Worked with various departments on placement, gaining experience in the engineering, camera floor, returns, maintenance, grip and video departments. Work included camera prep, cleaning of accessories, glassware and cables, camera calibration, lens projection, loading camera vehicles and marking up / labelling boxes for a feature film crew.

Supervisor / Camera Floor Manager: Ron Musson

FREELANCE:

Video Assist

2009 - 2015

Having worked alongside video operators for some years I joined 'The King's Speech' as a daily video assistant, placing and cabling monitors to meet the requirements of the video operator, director and DOP. Across a wide range of productions I have since worked with various systems, monitors, accessories and transmitters for SD, HD and 3D Productions.

Credits: 'About Time', 'Red 2', 'The Theory of Everything', 'Mortdecai', 'Star Wars VII' (dailies) and '47 Ronin'.

BLINK PRODUCTIONS: (Dailies)

Production Office Runner

2007

Provided office based staff cover assisting with general operations, errands and research alongside support to production office / directors. Included using software to manipulate reference images and sending out director's showreels.

Office Manager / Head Runner: Ellie Briton

Cameras:

Film Cameras: (35mm:) Arricam ST, Arricam LT, Arri 435, Arri 435ES, Moviemac Compact, Panaflex Platinum, Panaflex Millennium XL, Panaflex GII, Aaton Penelope, Konvas 1KSRMII (16mm:), Arri 416, Arri SR2, Arri SR3A, Aaton XTR, and Aaton XTRProd.

HD Cameras: Arri Alexa, Arri Alexa XT, Arri Alexa ST, Arri Amira, Red Dragon, Red Epic, Red MX, Sony F65, Sony F55, Sony F35, Sony F900, Panavision Genesis, Panasonic Varicam, GoPro, GoPro Hero and Canon C300.

Skills:

- Loading 35mm and 16mm film stock in the dark room as well as in a changing tent on location.
- Managing a camera vehicle, stock and accessories on location. Working between the camera department, production, laboratories and rental houses to ensure smooth day to day operations and in/out procedures.
- Working with different monitors and video accessories to setup and support HD and SD video systems and monitors. I am familiar with a wide range of portable recorders.

Higher Education

BSc Degree: Media Technology and Production

University of Bradford

2002 - 2005

Second Class Honours degree

Training:

Guild of British Camera Technicians Trainee Scheme

GBCT

2009

Workshops, lectures and practical experience on manual handling, work of the focus puller and clapper loader, calibration of set monitors, HD workflow and grip as well as an introduction to lab processes and post-production. Involved building the Arricam ST / SRIII, Panaflex GII and Sony F23 cameras.

Tutors: Axel Ulrich, Renee Willis, Rupert Lloyd Parry, Paul Wheeler BSC and Steve Brooke-Smith.
