Personal Summary

I am a graduate from the University College for the Creative Arts in Farnham where I studied Film Production. I specialised in scriptwriting but gained experience in many roles whilst there, including Sound Recording, Producing, Directing and Cinematography.

To date I have experience in Broadcast, Low budget Feature Films, Documentary, Short Films, Corporate Video, Music Videos and Podcasts. I am dedicated, ambitious and enjoy working on a variation of projects as well as being an integral part of the team.
