Personal Statement

Self Employed Sound Recordist with over 5 years' experience working across a wide array of productions, including Feature Films, Corporate, Commercial and Television.

- I am a highly competent and skilled recordist with my own equipment and strong knowledge of other recording styles.
- I am confident in my ability to access production needs and meet those requirements to deliver a high quality service.
- Good experience working on location as well as a studio environment. I have also recorded and projected sound on live events for broadcast purposes.
- I am an excellent communicator and develop strong relationships between Sound and all other technical departments through my friendly and approachable nature.
