

Callum Hammett Grip Trainee

25 Station Square
Colchester, CO46DT
07528392553

callumhammett@mail.com

I have a variety of skills coming from an engineering background and have extensive experience in reactive problem solving. My skillset includes people and inventory management through running a small business and racing team.

I am based in Colchester and regularly travel all over for work. I have my own vehicle however the main trainline for London is on my doorstep. Bectu registered.
