

Justin McGillivray

Focus Puller | 1st Assistant Camera

20 years in the film industry, and as a Focus Puller / 1st AC since 2008.

Additional and B Camera operator on The Boy Who Harnessed the Wind. Aspiring DOP.

Having come from an old school, celluloid background, and progressed from a runner, video assist op. & clapper loader, Justin has developed a reputation as a skilled, passionate & creative technician, always going the extra mile.

Proficient in all camera and lens formats, with experience in Steadicam, Russian Arm, aerial and underwater work.

Justin has worked on and collaborated with many international productions from Moscow to Cairo and throughout Africa, in many diverse locations. He is always up for a challenge and new experiences, easily adapting to surrounding culture.
