Full, clean driving licence, with own car, DIT & camera equipment | Based in Bristol, UK

STATEMENT

Energetic and hardworking Digital Imaging Technician, Camera Assistant and Operator with experience across various Camera Department roles in TV commercials, corporate and independent productions. I have my own car, DIT and camera equipment and I'm eager to lend a hand in whatever capacity is needed for the project. I'm primarily looking for DIT and Camera Assistant roles in TV and Film, in Bristol, Cardiff and London, but very happy to travel further afield as required.
