Mike Metcalfe is a camera operator based in Brighton with extensive knowledge of most aspects of film and television. He has worked on features, commercials, dramas and documentaries, live concerts, pop promos and corporates. He has experience of second unit feature work as a director of photography and has also made promos, documentaries and a short film in this capacity.

He has experience of 35mm, Super 16, 16mm, digibeta working in anamorphic and conventional formats. He is familiar with most mounts and heads and has worked with helicopters, light aircraft, cranes, tracking vehicles and underwater housings. A specialist on remote heads, he is also experienced in using motion control and has worked using such techniques as motion capture, front and back projection, blue screen and live action animation.
