I have over 16 years experience in the camera department working with a variety of Directors of Photography with multiple formats on Feature Films, TV Drama, Commercials, Promos & Concerts.

I am also experience in multi camera live events and concerts as a lead focus Puller to include Camera lists, prep and travel carnet's.

In 2011 i undertook and qualified with Skillset as a Level 3 Diploma Focus Puller.

Aerial Mount Technician/Operator

I have over a number of years worked with aerial cinematographers working on a freelance basis, having worked with such companies as Flight Logistics, Tenthirteen and Helicopter Film Services with whom i have worked with Wescam and Stab C.

My aerial work has taken me filming in extreme temperatures, -30 in the Himalayas and +40 in the Sahara Deserts.
