PROFILE

Highly experienced **Key Grip** with over 27 years in the film and television industry.

Extensive background in high-end TV drama, feature films, commercials, motion control and 3D productions. Trained by leading manufacturers including Chapman, Ronford-Baker, Fisher and O'Connor.

Experienced in supervising Grip teams, managing complex rigging setups, crane and remote head operation, dollies, motion control, and specialist vehicle operation on various, many of which have been extreme environments and locations.

Calm, solutions-focused and highly collaborative with DoPs, Camera Operators and Directors.
