Daniel has an impressive and diverse background! With over 20 years of experience, he has worked globally on a variety of projects, including documentaries, commercials, music videos, and films. Being an Arri Certified and trained Steadicam Operator & Camera op based in both London and Malta, Daniel has had the opportunity to collaborate with renowned names in the industry. Additionally, his certification as a PADI advanced diver and deep specialist to 40 meters adds another layer of expertise to his skill set. If you need any specific information or assistance related to Daniel's work
