I am the founder of Absolute High Speed, providing Phantom Flex 4K cameras and technicians to the film & TV industries. I have been working with High Speed cameras for over 20 years, starting with Photosonics' film cameras, through to the latest Phantom cameras from Vision Research. Here is a list of my credits as a Phantom Operator:

| <u>Company</u>            | <u>Production</u>                                  | <u>Director</u>                          | <u>Cinematographer</u> |
|---------------------------|----------------------------------------------------|------------------------------------------|------------------------|
| <b><u>Features</u></b>    |                                                    |                                          |                        |
| Paramount                 | Dungeons & Dragons:<br>"Honour Among Thieves"      | John FRANCIS DALEY<br>Jonathan GOLDSTEIN | Barry PETERSON ASC     |
