

Richard Bellon ACO

PROFILE

Richard is a highly experienced Steadicam & Camera Operator with over 20 years of experience working on live events, music videos, commercials, TV Drama and feature films.

He is a full member of the Association of Camera Operators as well the Southern African Communications Industries Association.

Richard owns a Steadicam, Omega AR as well as a full Ronin 2 package. He is comfortable with any camera package and is well versed in geared and remote head operation ranging from large 3-D rigs to DSLR'S.

His experience includes working on productions locally and abroad including all over Africa, Mauritius and the United Kingdom.

He is well equipped and happy to travel to any location.

REFERENCE – RICHARD BELLON

TO WHOM IT MAY CONCERN:

I have had the pleasure to work with Richard on several of our productions which include live TV sport coverage, as DOP and Steadicam operator on corporate projects, and as cam ops on various breaking news, documentary and magazine programmes.

He is a pleasure to work with and is at all times is enthusiastic, professional and never afraid to give his all.

We will continue hiring Richard for our upcoming projects due to his track record in consistently delivering well-shot, well-composed, editable content that always does justice to the production.

Kind regards,

Gordon Greaves
Joint MD
