About

Marc Hill ACO is a professionally trained steadicam and camera operator working across Film, TV and commercials. He is excellent at collaborating with Directors and Cinematographers to precisely follow their vision. Whether it is using the dolly, handheld or steadicam he understands the importance of movement and motivation and empathizes with the script, actors and direction with a creative flare whilst also being sensitive to the situation.

Operating Experience:

Steadicam body mounted and hard mounted/Rickshaw

Dolly

Fluid heads and geared head

Handheld

Cranes/tracking vehicles/U-crane
