*** Recommendations can be supplied if requested**

Aris started his professional career after graduating from SAE Institute in Holloway Road, he then started working as an assistant Sound Engineer in Classic Orchestra as well as Opera Live performances and recordings in Greece, on some of Athens most prestigious events like:

The Athens Megaron Concert Hall, Odeon Of Herodes Atticus and Athens College among others.

He then set up, stage managed and produced landmark open air stages and sound systems :

The Samothraki Dance Festival alternative stage for 3 years (Europe's premier 5.1 surround Live P.A. setup on the same year with Sonar Festival – Barcelona), Just Dance Festival - Athens, Festival Of Digital Culture & Arts – Serres, Juno Reactor Live In Athens (Scores written for: The Matrix Reloaded, Animatrix, Pistolero, Once Upon A Time In Mexico, Mortal Combat, Beowulf, Eraser among others), The Future Sound Of London Live In Athens.

Prior to focusing on Location Sound Recording and Mixing, Aris worked in a total of 3 studios, a music recording and mastering studio, one of the Athenian premier 5.1 sound mixing and recording studios and a Dolby mastering studio for theatrical releases.

His extensive knowledge on post production workflows and diverse insight on location recording techniques, makes Aris an asset for every production.

An experienced Film & Television Broadcast Recordist and Production Sound Mixer, Aris has been gathering 20 years of experience in the industry and has worked on shoots in Germany, France, Spain, Italy, Brussels, Bali and the Greek islands, on over 20 feature films to date and a plethora of commercials as well as TV shows and documentaries.

Versatile and cooperative with an extensive list of the industry's finest equipment including digital recorders, microphones, radios, custom sound trolley, iem systems, advanced power & monitoring setups and more.
