

NICK SAWYER

DIRECTOR OF PHOTOGRAPHY
COLLABORATING DIRECTOR SPECIALIST IN FOOD LIQUIDS AND SFX

Nick is an award-winning cinematographer and specialist food, liquids and sfx director with over three decades of experience in music videos, films, documentaries, and television commercials.

Nick collaborates closely with live-action directors, often handling live-action as a DoP and then directing tabletop scenes. His dedicated test studio, complete with specialized equipment, enables pre-shoot testing, ensuring seamless results while offering efficiency and cost savings for productions

Earlier in his career his cinematography has won many accolades, one being Ernst & Young cinematographer of the Year in 1994. He has since gone on to win many prestigious CAD and D&AD awards and the AFM cinematographer of the year.

With the added experience of a music video background, Nick has learnt techniques which have garnered him a reputation as one of the *global front-runners* in the new wave of lifestyle, *food, liquids and special effects*.
