gal.paula@outlook.com | 07456791395 | @gal.created

I am a Lancaster University Film B.A. graduate, eager to develop my career in Film and TV production. With hands-on experience in the camera department on scripted productions and insights gained at rental houses, I've built strong technical skills. I pride myself on my ability to support the team and ensure everything runs smoothly. Eager to grow further, I'm excited to contribute as a trainee and expand my experience. Based in SW1 London.
